

Hello everyone. I hope that the New Year has brought great joy and success to you all so far. Unfortunately not all of us in the Security World have had a happy start.

According to Private Officer International there have been 16 Security Officers killed already in 2013. These deaths have occurred in South Carolina, North Carolina, Pennsylvania, New York, Illinois, Texas, California, Michigan, Florida and Delaware.

It should serve as a stark reminder that incidents resulting in fatalities are not limited to places like New York City, Los Angeles or Detroit. They can, will and do happen in our own backyard.

This is the very reason we have set up the Arizona Security Officers Memorial Fund (azomf.com). We provide financial assistance to those families that have suffered the ultimate loss of a loved one.

All of the money we raise is set aside to assist the families. Every cent of it. This money is raised through a series of fundraisers such as Prize Raffles, Bowling Tournaments and Chili Cook Offs.

The next fundraiser on tap is the 2013 Annual Chili Cook Off to be held on Saturday April 13th at the American Legion Post 75 @ 10625 N. Cave Creek Rd, Phoenix.

To enter the Cook Off as a contestant is \$125.00 for 1 Chili, and \$20.00 for each additional Chili. Licensed Security Guards and 1 guest may enter the Chili Sampling and judging area for free when they present their Guard Card.

For all others we ask for a donation of \$5.00 per person, or \$16.00 for a group of 4.

This is a very worthwhile cause, and a lot of people are selflessly donating their time and money to the effort. PLEASE help make this event a success just as the previous events have been.
